A River é uma cadeira multiusos concebida para se integrar perfeitamente em diferentes ambientes, incluído zonas de espera, formação, reunião e espaços de hotelaria. Com uma ampla variedade de configurações, adapta-se a qualquer necessidade. O seu design destaca-se pelos arcos e curvas harmoniosas, que conferem um visual fluido e apelativo.

River is a multi-purpose chair designed to seamlessly integrate into various settings, from waiting areas and training rooms to meeting spaces and hospitality environments. With a wide range of configurations, it adapts to any need. Its design is characterized by harmonious arches and curves, creating a fluid and appealing look.
